

Combination Adapters

For Information Call (713) 645-2858
or fax (713) 645-1756

2" to 30" IPS Sizes
SDR 11 Standard (Others Available)

- Combination Adapters replace flange and ring combinations for corrosion free joints
- Combination Adapters are more economical than Stainless Steel Backing Rings and Flange Adapters
- Working pressure up to 35 psi
- Excellent for Dual Containment tie in work
