**THIS PAGE WILL BE UPDATED SOON TO REFLECT IPF'S  
CAPABILITIES IN MANUFACTURING BRANCH SADDLE  
AND STRAIGHT REDUCING TEES.**

IPF currently has the capability to produce most reducing tees with outlets less than 8 inches.

Our current expansion plans are to increase our capabilities to include reducing tees' with outlets as large as 24" with mains to 48". This expansion in capabilities should be complete during the first quarter of 1997.

**PLEASE CALL TO CHECK AVAILABILITY ON REDUCING TEES PRIOR TO  
RECEIVING THE CATALOGUE SUPPLEMENT.**
